**Overall Length:**

19.0700 inches

**End Application:**

Nssn class submarine; lpt and wst 30 in. Lower hatch and operator assembly

**Step Quantity:**

3

**Largest Step Diameter:**

4.7500 inches

**Product Name:**

Shaft, gear

**Material:**

Nickel alloy

**Material Specification:**

Qq-n-286 form 2 anl hf ah federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23200
