Overall Length:

9.1562 inches

End Application:

Wtqa doors

Special Features:

diameter 0.9975 - 1.0000; first end 0.8750 - 9unc - 2a 1.1250 inches long, four 0.2500 keyways cut to 2.2187 inches; second end 0.8700 - 0.8750 inches diameter

Material:

Stainless steel

Material Specification:

Astm a276/qq s763 type 316, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A517c0
