**Overall Length:**

31.000 inches

**Body Width:**

1.500 inches

**Body Thickness:**

0.375 inches

**End Application:**

Ship

**Link Style:**

Straight

**Body Construction:**

Solid

**Product Name:**

Connecting rod, lh

**Special Features:**

Next higher assembly.: doors w.T.Q.A. (operating mech in frame) 26 x 66 medium steel- 8 dog arrangement

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A52410
