Overall Length:

31.000 inches

Body Width:

1.500 inches

Body Thickness:

0.375 inches

End Application:

Ship

Link Style:

Straight

Body Construction:

Solid

Product Name:

Connecting rod, lh

Special Features:

Next higher assembly.: doors w.T.Q.A. (operating mech in frame) 26 x 66 medium steel- 8 dog arrangement

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
