Width:

0.310 inches

Overall Length:

9.000 inches

End Application:

11464501 patriot missile

Mounting Hole Type And Quantity:

4 plain and 4 threaded

Mounting Hole Diameter:

0.161 inches

Product Name:

Stiffener bar

Material:

Aluminum

Material Specification:

Qq-a-250/11 6061-t6 federal specification single material response

Thread Size And Series/type Designator:

0.138-32 unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524a0
