Overall Length:

41.938 inches

Body Width:

1.500 inches

Body Thickness:

0.375 inches

End Application:

Aoe class ships

Link Style:

Straight

Body Construction:

Solid

Product Name:

Connecting rod lh

Material:

Stainless steel

Material Specification:

Astm 108, c-.25 max. Assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524I0
