**Overall Length:**

7.000 inches

**Overall Width:**

6.750 inches

**Overall Thickness:**

4.500 inches

**End Application:**

Los angeles class ssn (688)

**Product Name:**

Cap, end, large w/adjustment

**Special Features:**

Part of missile tube muzzle hatch hydraulic rotary actuator assembly

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A525y0
