Overall Length:

7.000 inches

Overall Width:

6.750 inches

Overall Thickness:

3.120 inches

End Application:

Los angeles class ssn (688)

Product Name:

Cap, end, large

Special Features:

Part of missile tube muzzle hatch hydraulic rotary actuator assembly

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A525y0
