**End Application:**

Los angeles class ssn (688)

**Product Name:**

Shaft, operator

**Special Features:**

Nha valve control; stock dimensions, length 10.120 in. X 2.120 in. Dia.

**Material:**

Steel comp 416

**Material Specification:**

A582 416 cres cond t assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23200
