End Application:

Los angeles class ssn (688)

Product Name:

Shaft, operator

Special Features:

Nha valve control; stock dimensions, length 5.180 in. X 1.870 in. Dia.

Material:

Steel comp 416

Material Specification:

A582 416 cres cond t assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
