Overall Length:

7.440 inches

Body Thickness:

0.350 inches

End Application:

B1b

Link Style:

Straight

Body Construction:

Solid

Product Name:

Rod, hatch-crew entry, assembly of

Special Features:

Nha p/n is I3010053

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A524I0
