**End Application:**

Linear hydraulic actuator model number la196al

**Ring Groove Quantity:**

1

**Thread Size:**

1.500 inches

**Product Name:**

Piston rod

**Special Features:**

Piston and rod are integral one piece

**Material:**

Steel

**Specification Data:**

0fwc2-astm a564 alloy s17400 type 630 condition h1100 professional/industrial association specification

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A518j0
