Overall Height:

1.891 inches

End Application:

ROTA-RY-HYD-RAUL

Cam Width:

2.365 inches

Specific Use:

Activates push button (rod) of switch

Camlength:

0.650 inches

Thickness:

0.6500 inches

Product Name:

Switch cam

Material:

Steel

Material Specification:

Astm a564 alloy s17400 type 630 condition h1075 national specification single material response

Specification Data:

81346-astm a564 alloy s17400 type 630 condition h1075 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A50800
