End Application:

B-1 support equipment

Segment Quantity:

1

Surface Condition And Location:

One side grooved

Product Name:

Pad, brake

Special Features:

Material is 1.00 inch thick brass bar, hard, comp 2 iaw astm b36 or astm b121; surface texture iaw ansi b46.1; attaches via 4 screw threads; actuated by brake spring; nha nsn 1730-01-423-7229 lifting assembly, munitions

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A230a0
