Overall Length:

21.000 inches

Overall Width:

9.750 inches

Thickness:

1.000 inches

Mounting Hole Diameter:

Between 0.875 inches and 0.883 inches

Mounting Hole Quantity:

12

Aperture Diameter:

Between 9.017 inches and 9.022 inches

End Application:

B-1 support equipment

Product Name:

Plate, top

Special Features:

Material 1.00 inch thick 410 ss iaw astm a240; passivate iaw qq-p-35, type ii; surface texture iaw ansi b46.1; nha nsn 1730-01-423-7229 lifting assembly, munitions

Material:

Stainless steel

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524m0
