Overall Length:

5.900 inches

Body Thickness:

0.500 inches

End Application:

B1-b

Link Style:

Eye ends

Body Construction:

Solid

Product Name:

Center link, nose radone hinge

Material:

Aluminum alloy

Material Specification:

Qq-a-225/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A52410
