Overall Length:

2.700 inches

Overall Height:

0.750 inches

Overall Width:

2.330 inches

End Application:

Xbt/xsv system for hh-2d helicopter

Accessory Components And Quantity:

Rivet (1), pod (1), lever (1)

Product Name:

Lever assembly - release - smoke marker dispenser

Material:

Stainless steel

Surface Treatment:

Cadmium

Supplementary Features:

Next assembly, k682780

General Description:

Lever matl 4340 steel, mil-s-8844 cl 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
