First End Style:

Plain

End Similarity:

Not identical

Second End Style:

External threaded

Overall Length:

10.880 inches

End Application:

Command system, tactical nsn 5895-01-425-8319; w/s: patriot missile

First End Diameter:

1.2500 inches

Second End Diameter:

1.2500 inches

Second End External Thread Length:

2.080 inches

Surface Finish:

125.0 microinches

Product Name:

Tadil-a reel mount spindle

Special Features:

Threads are 1.125 12nf-2

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
