First End Style:

Plain

End Similarity:

Not identical

Overall Length:

11.120 inches

End Application:

Stop assembly, cradle

First End Diameter:

Between 1.9960 inches and 1.9980 inches

Step Quantity:

2

Product Name:

Stop

Material:

Stainless steel

Material Specification:

Astm-a564, ty-630 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
