Overall Length:

2.900 inches

End Application:

F/a-22 raptor

Link Style:

Straight

Body Construction:

Solid

Product Name:

Link assembly-actuator, vertical stabilizer

Special Features:

Link has 2 each bearings, ms 14101-5a

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
