Linear Actuating Cylinder Piston Rod - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/3040-01-500-3464>

Overall Length:

9.250 inches

End Application:

Seawolf class ssn

Operation Method:

Hydraulic cylinder

End Connection Type:

Threaded

Product Name:

Piston rod

Special Features:

Next higher assembly: p/n la40-42050, linear hydraulic actuator, model la40ptl

Material:

Stainless steel

Thread Size And Series/type Designator:

1-12 unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A525x0
