Overall Length:

5.250 inches

Outside Diameter:

5.250 inches

Thickness:

1.500 inches

Mounting Hole Diameter:

1.281 inches

Mounting Hole Quantity:

2

Aperture Diameter:

1.281 inches

End Application:

Breech door

Product Name:

End cap

Special Features:

Used on the breech door assembly hinge shaft as an end cap; application: torpedo tube, submerged, lwr ctr & rh, mk 69 mod 6 & 7

Material:

Nickel alloy

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524m0
