Overall Height:

1.730 inches

End Application:

Retractable bow plane diving ram cylinder zero lock assembly for nssn class submarine

Cam Width:

1.530 inches

Specific Use:

Cam, switch

Camlength:

1.500 inches

Product Name:

Cam, switch

Special Features:

Cam action is reciprocating

Material:

Steel comp 304

Material Specification:

Astm-f593 group 1 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A50800
