**End Application:**

Stern overdrive mercruiser bravo assembly

**Compressed Length:**

21.000 inches

**Integral Valve Operation Method:**

Hydraulic

**Design Characteristics:**

Single acting single cylinder

**Product Name:**

Trim cylinder, port

**Special Features:**

Port side cylinder for raising and lowering prop

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A34200
