**Overall Length:**

67.750 inches

**Body Width:**

2.000 inches

**Body Thickness:**

0.375 inches

**End Application:**

Door, wtqa

**Link Style:**

Straight

**Body Construction:**

Solid

**End Attachment Style:**

B1

**End Attachment Hole Diameter:**

0.749 inches both ends and 0.750 inches both ends

**End Attachment Length:**

67.750 inches both ends

**End Attachment Width:**

0.375 inches both ends

**Special Features:**

Provided with total of (5) 0.749-0.750 diameter holes and (4) 3.000 radius x 0.438 deep crescent notches. Both ends provided with 0.625 x 1.625 chamfers

**Material:**

Stainless steel

**Surface Treatment:**

Zinc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A52410
