**Overall Length:**

5.500 inches

**Body Diameter:**

3.000 inches

**End Application:**

Power supply

**Body Construction:**

Solid

**Product Name:**

Pin

**Special Features:**

Item name on drwg is pin, swivel, linkage, forward, boarding ladder; surface treatment is nickel and chrome

**Material:**

Steel

**Material Specification:**

Ams6532 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A52410
