Overall Length:

5.250 inches

Body Width:

1.750 inches

Body Thickness:

0.500 inches

Link Style:

Straight

Body Construction:

Solid

Special Features:

End item door horizontal slide

Material:

Steel

Material Specification:

Astm-a-108 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524I0
