Overall Length:

62.750 inches

Body Width:

1.500 inches

Body Thickness:

0.375 inches

Link Style:

Straight

Body Construction:

Solid

Special Features:

End item door, horizontal slide. This item has 5 holes, each hole is 0.624 to 0.625 inch dia

Material:

Steel

Material Specification:

Astm-a-108 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
