**End Application:**

Overspeed governor

**Mounting Hole Type And Quantity:**

4 plain

**Product Name:**

Counterweight

**Special Features:**

Item is connected to the -304 conterbalance, by means of a link, 3216638-306

**Material:**

Copper alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A525e0
