Overall Length:

1.812 inches

Body Diameter:

0.250 inches

Body Thickness:

0.247 inches

End Application:

Mk69 & 70, mod2, drive, 5/62 gun

Link Style:

Straight

Body Construction:

Tubular

Product Name:

Link, threaded

Special Features:

One end is threaded at 0.250-28 unf-3a, the other end is special shaped with bore diameter at 0.250 inches

Material:

Steel

Surface Treatment:

Phosphate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
