Overall Width:

2.452 inches

End Application:

Mk45

Bore Type:

Plain straight

Center To Center Distance Between Link And Shaft Holes:

7.125 inches

Link End Thickness:

Between 0.250 inches and 1.474 inches

Link End Hole Diameter:

0.875 inches

Product Name:

Arm, sensor

Material:

Steel

Surface Treatment:

Phosphate

Style Designator:

Flat, one hole link end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524p0
