Overall Length:

21.250 inches

Body Width:

1.000 inches

Body Thickness:

0.375 inches

End Application:

Mk45, 5 inch / 62 caliber gun

Link Style:

Straight

Body Construction:

Solid

End Attachment Hole Diameter:

0.500 inches both ends and 0.501 inches both ends

Product Name:

Linkage, door latch

Material:

Aluminum alloy

Material Specification:

Ams4117 assn standard 1st material response or qq-a-200/8 federal specification 1st material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524I0
