Overall Length:

252.600 inches

Body Diameter:

4.000 inches

End Application:

Nha: door assembly, left and right hand

Link Style:

Vertical offset

Body Construction:

Solid

Product Name:

Lockrod, door-inner

Special Features:

Fmtv a1 medium tactical truck. Lockrod threaded on both ends 2x m4x0.7

Material:

Steel

Material Specification:

Astm a108, grade 1018, bar, cold finish assn standard single material response

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
