End Application:

B-2 aircraft

End Attachment Style:

Eye first end

Link Style:

Angled, eye ends

Body Construction:

Solid

Product Name:

Link sub assembly

Special Features:

MATT-70-75T-7351

Material:

Aluminum

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524I0
