**Overall Length:**

12.300 inches

**Overall Width:**

2.500 inches

**End Application:**

Qec dolly

**Mounting Method:**

Rivet

**Features Provided:**

Handgrip

**Product Name:**

Lever

**Special Features:**

Recommended cable part numbers for connecting a cable to this lever assembly are 81002454, 81006273, 81002594 and 81006099 (all with same cage of 92867); p/n 02182601 is same item except it is unpainted

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A524v0
