Overall Length:

12.300 inches

Overall Width:

2.500 inches

End Application:

Qec dolly

Mounting Method:

Rivet

Features Provided:

Handgrip

Product Name:

Lever

Special Features:

Recommended cable part numbers for connecting a cable to this lever assembly are 81002454, 81006273, 81002594 and 81006099 (all with same cage of 92867); p/n 02182601 is same item except it is unpainted

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524v0
