Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/3040-01-524-9307>

Body Material:

Steel

Design Characteristics:

Single acting single cylinder

Product Name:

Ingle acting general purpose cylinder

Special Features:

Stroke in millimeters 311; collapsed height in millimeter 425.0; cr-400 coupler and dust cap included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34200
