Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/3040-01-524-9307>

**Body Material:**

Steel

**Design Characteristics:**

Single acting single cylinder

**Product Name:**

Ingle acting general purpose cylinder

**Special Features:**

Stroke in millimeters 311; collapsed height in millimeter 425.0; cr-400 coupler and dust cap included

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A34200
