Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3040-01-524-9307

Body Material:
Steel
Design Characteristics:
Single acting single cylinder
Product Name:
Ingle acting general purpose cylinder
Special Features:
Stroke in milimeters 311; collapsed height in milimeter 425.0; cr-400 coupler and dust cap included
Shelf Life:
N/a
Unit Of Measure:
<del></del>
Demilitarization:
No
Fiig:
A34200
