Maximum Operating Pressure:

3000.000 pounds per square inch

Overall Height:

8.300 inches

Overall Width:

3.700 inches

Separator Type:

Bladder

Special Features:

Shell is electroless nickel plated id and od, both halves; so 418, 20 ci accumight

Shape:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T164-c
