First End Style:

Plain

End Similarity:

Identical

Overall Length:

15.750 inches

End Application:

18569005 reversing sheave assembly

Product Name:

Shaft-sheave

Special Features:

45 degrees chamfer on both ends; one hole 0.531 in. Dia. Drilled one inch from one end

Material:

Steel comp 1045

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
