Overall Length:

18.760 inches

End Application:

Kc-135

Link Style:

Tubular shank

Body Construction:

Tubular

Product Name:

Rod assembly-emergency extension, nose landing gear

Special Features:

Nha is emergency crank installation - nose landing gear, boeing drawing number 50-1507

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
