Overall Length:

5.285 inches

End Application:

F15A-IR-CRA-FTSH

Step Quantity:

9

Largest Step Diameter:

0.562 inches

Product Name:

Shaft, input

Special Features:

Manufacturers name on drawing is shaft, input-nose wheel steering; shaft is 1.115 inches wide and 0.5624 inches high; t.O. Is 9h2-3-83-3, figure 9-2, index 9

Material:

Stainless steel

Material Specification:

Ams5643, cond a. Military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23200

Mil-std (military Standard):

spec.
