Overall Length:

3.555 inches

Overall Width:

4.225 inches

End Application:

C141 aircraft

Product Name:

Azimuth drive housing (machined)

Special Features:

Nha is nsn 3010-01-499-2616; this housing part attaches to other housing parts and is an assembly which includes 1 each azimuth actuator housing (casting) (p/n 3264746-1), al inserts, primer coating and coating (per mil-prf-85285)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900

Mil-std (military Standard):

Mil-prf-85285 spec.
