Overall Length:

7.820 inches

Body Diameter:

0.437 inches

End Application:

C-5 galaxy

End Attachment Style:

Eye first end

Link Style:

Tubular shank

Body Construction:

Tubular

Product Name:

Rod assembly-pitch trim, secondary control

Special Features:

P/n 4c24012 is the drawing for this item and has the name of rod assembly-pitch trim, secondary control; assembly includes bearings at each end, one is p/n stske100-3046 (this end also has 1 nut-p/n an516-4r) and the other end has bearing p/n stske800h550

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A52410
