Overall Length:

5.640 inches

End Application:

C-17a aircraft

End Attachment Style:

Eye both ends

Link Style:

Eye ends

Body Construction:

Solid

Product Name:

Connecting link, rigid, flap-fwd, below wing

Special Features:

Nhadrawing number is 17p6w8200

Material:

Stainless steel

Material Specification:

Ams5659, type 1 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524I0
