Overall Length:

3.750 inches

Body Width:

0.750 inches

Body Thickness:

0.250 inches

End Application:

Aircraft, f5-b

End Attachment Style:

Eye both ends

Link Style:

Eye ends

Body Construction:

Solid

End Attachment Hole Diameter:

0.375 inches both ends

Material:

Aluminum

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
