End Application:

Nozzle, press fuel servicing, d-1, 2.5" (201704-01c, 201704-45a, 201704-23g)

Link Style:

Angled

Body Construction:

Solid

Product Name:

Link, nozzle

Special Features:

Remarks: condition h900. Dwg name: nozzle assembly, 341gf nozzle, pressure fuel servicing (dwg number 29933, cage 86184)

Material:

Stainless steel

Material Specification:

17-4 ph uns 17400 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
