Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/3040-01-541-7295>

End Application:

Nsn 3990-01-444-6174 bitum distributor

Compressed Length:

21.000 inches

Integral Valve Operation Method:

Hydraulic

Design Characteristics:

Double acting single cylinder

First Piston Rod End Style:

Err-070

Port Style:

Flare

Port Thread Series Designator:

Nptf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34200
