Overall Length:

6.090 inches

Body Width:

2.240 inches

Body Thickness:

0.750 inches

End Application:

Penetrator assembly mbt vent valve

Link Style:

Eye ends

Body Construction:

Solid

Product Name:

Inavy-link, drag

Material:

Nickel alloy

Material Specification:

Qq-n-286 form-2 cond-anl, ah, fn-a assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
